

Argentina Spanish for Healthcare Professionals

Buenos Aires, Argentina

May 27th – June 30th, 2019

Interested in studying abroad?

This program offers advanced language learning courses with a focus on Spanish for professionals in healthcare. You will live with a local host family to experience full immersion in the culture of Buenos Aires and have ample opportunity to hone your Spanish speaking skills.

Buenos Aires is an international city of 3 million people and the cultural hub not only for the country, but for the region. Birthplace of the tango and home to many theatres, museums, and parks, you are sure to enjoy your summer in this timeless city!

Courses | (6) credit hours in *Summer 1 - 2019*

SPAN 318: Advanced Oral Communication for Health Professionals (3 cr)

SPAN 301: Oral Expression (3 cr)

***SPAN 491:** Research Experience (3 cr) *only if you have already completed one of the above two courses
